

## Chvorov Vladimir (urologist) with wife Tatiana visit Assen at June 20th. 2019.

During his impressive European car trip from remote Moscow, crossing through Tsjech Republic, Germany, France and Belgium, Vladimir Chvorov MD (urologist, Dwoyka 2015) planned to stay for a couple of days in Drenthe. He did this together with his wife Tatiana (ophthalmologist). At the 20th. of June he passed by the city of Assen. A meeting with the

DEMMA secretary Paul Mulkens was scheduled.

And so he arrived early in the afternoon at Mulkens' place making a first acquaintance between the wives Tatiana and Irma. Afterwards everyone walked to the center of Assen

to visit the Drents Museum. There was an interesting exhibition on the issue of -not so well known- Italian painting art in the period between 1860 and 1910, at the time of unification of the state of Italy. The title of the exhibiting: "Sprezzatura". After closing time it was decided to sit down on a sunny café terrace at the Markt square. Afterwards back to Mulkens' place to

have the home Irma Mulkens, at Emmen the way hotel was -to but by bus. A pity look at a Russian The visit actually Nevertheless talked over. It have a lot of

made dinner, prepared by a sunny roof terrace. accommodation was in back in the evening to the drive alcohol free- not by car it was impossible to have a license plated car in Assen. had a privat profile. some DEMMA matters were proved out Vladimir still contacts with his colleague

urologist in Emmen Ben Knipscheer. A get together meeting in Emmen was already scheduled. Also Vladimir told about the Knipscheer's privat visit together with his wife to Mytisch, one month previously. In conclusion everybody enjoyed this cheerful flash visit confirming the firm ties between Mytisch and Drenthe in the framework of DEMMA.
